## Jewelry

The 18K *GOLD PLATED JEWELRY* is nickel free and imported from Brazil. The artisan quality products are made with a layered process of a base metal to which Tom back and Palladium are applied. Then three sheets of pure 18K gold are applied.

All jewelry can be worn daily without any health concerns.

The necklace itself has a 1-year guarantee for changes in color and zirconia loss in the hardware used in its manufacture.

The guarantee does not cover dents or scratches from general wear and tear or changes in color due to exposure to chemicals.

Wearing Laminated Gold pieces allows you to have the distinction and elegance of gold, at a lower cost.

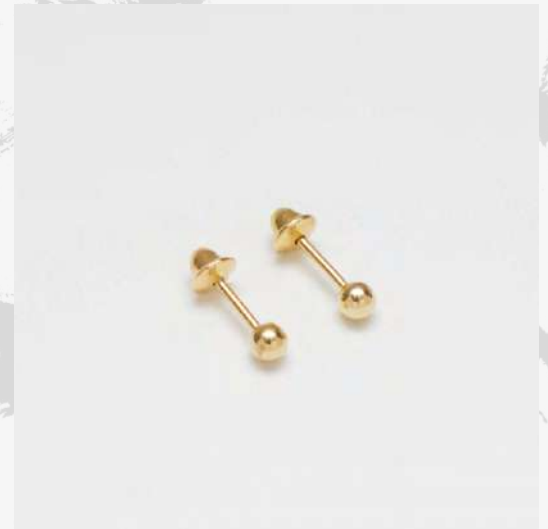

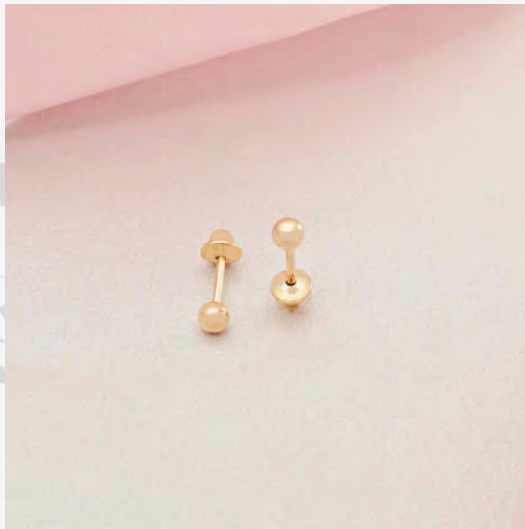

### CARE INSTRUCTIONS

- Store your bracelets in organizers, in their packaging and/or away from other accessories to protect them.
- Avoid use beyond normal wear.
- Clean them regularly with a cloth to maintain their shine.
- If you use the accessory continuously, it is recommended to wash it 1 or 2 times a month with a neutral pH soap or liquid soap, use a soft bristle brush to remove dirt, rinse with water and let it dry well. In this way you guarantee its brightness and duration.
- Not recommended for bathing or swimming as it can cause deterioration of the product beyond normal wear and tear.
